Helping Sailors Navigate Their Education
Navy College professionals provide educational services world-wide, anytime, anyplace
to Sailors and their families, supporting their life-long learning goals and the Navy's mission.
The VEC is funding applications through 30 June. Sailors are encouraged to submit their TA applications through 30 June now!
The Navy College provides Sailors with opportunities to earn college degrees through a variety of options. The program's mission is to provide continual academic support to Sailors while they pursue a technical or college degree, regardless of their location or duty station.
Reminder - TA applications should be submitted 30 days in advance and must be authorized by the VEC before the term start date. Refer to the Navy College TA Information or Frequently Asked Question pages for more information.
Beginning 1 October 2014, receive grades below a C for undergraduate courses, or grades below a B for graduate courses. Failing grades and non-successful completions are subject to recoupment per your WebTA agreement.
Steps to receive Navy Tuition Assistance
Education + Experience = Success
**** BASE EDUCATIONAL NEEDS ASSESSMENT SURVEY ****
Navy Voluntary Education is conducting Base Educational Needs Assessments (BENAs) during Calendar Year 2016, at every installation with a Navy College Office (NCO) onboard. This survey process helps us provide the right opportunities for Sailors' educational advancement and self-development. It's also critical for the future of the Navy-wide Voluntary Education Program, providing a Fleet perspective on maintaining program relevance for today's Sailors.
Sailors at the bases/installations listed below are welcome to access their survey and provide their feedback now, even if your local Navy College Office hasn't issued the formal announcement of the survey. Don't miss this opportunity to give us your opinions and requirements for retaining and improving the Navy's Voluntary Education Program. WATCH THIS SPACE FOR NEW SURVEY ANNOUNCEMENTS!
